Old Business:

1. We talked about back to school night would like to be combined with new student orientation. Doug, Sean and Lee will go talk to Mr. VanDenBrink. We would like to institute a new family mentor program so that new families will have a resource to help them their first year. We are also going to ask if it would be possible to charge their Stampede membership on their monthly bill. If Mr. V ok's the change for this fall we would like to talk to Universal about printing shirts that evening. If approved we would like the assembly be in the gym and the students would still act as ambassadors for the new students.
2. Stampede club would like to see more cohesiveness between the office, AD and coaches. Lee will talk to Ann to see if we could help this communication in any way.
3. Lee will also visit with Ann to see if the Printing charge for outside printing is adequate. We would need more data on the cost of each printing to be able to give any advice.

New Business:

1. DECA has not sent in a funding request for their national conference, this has been an annual ask. We moved to give them \$500 to be used for the National Leadership conference. Lee moved and Doug 2nd to approve this money. Motion Carried.

2. The club decided to meet in April instead of May to accommodate any funding requests from groups in the early Spring. The meeting will be Wednesday, April 18th at 6:30pm at Rikkis.
3. Doug asked the group to possibly finish paying the cost of the new Volleyball stands for the referees. These were purchased 2 years ago and the group has been fundraising to pay this bill. Doug will talk to the Volleyball group and report at the meeting in April.
4. Stampede officer nomination for Vice President was opened for discussion. Miriam Walters volunteered to be the VP this year and if Matt decided to not run next year she would have the experience for the position. Discussion was held that membership had declined this year and this was of concern. Miriam stated that she would be willing to be in charge of that for this next year. Lee moved to have her as the VP, Jack 2nd and the motion carried.
5. Celebration for the school is coming in April. Stampede Club has donated a basket for the silent auction each year. Lee and Doug will make sure the basket is ready by April 6th.
6. Miscellaneous discussion was held as to if there was a financial issue with teams staying in hotels during away tournaments. If needed the club could help, our group will check with the principal on this issue too.
